Henrico Health District Contact Information
For Healthcare Professionals and Practices

Disease Reporting:
Report confirmed cases and suspected cases of reportable diseases in Henrico County to the following address and phone number during normal business hours:

> **Virginia Department of Health**
> **Henrico County Health Department**
> **8600 Dixon Powers Drive**
> **P.O. Box 27032**
> **Richmond, VA 23273**
> **Telephone: 804-501-4522**
> **Fax: 804-501-4232/4983**

See: http://www.vdh.virginia.gov/epi/list.asp for a list of reportable diseases
Routine reports should be mailed to the above address using the Epi-1 form. Diseases of public health importance must be reported within 24 hours by the most expedient means available, including fax and telephone. Fax transmissions should be followed up with a telephone call to verify receipt.

After Hours Contact Information:
Normal business hours are from 8:00am to 4:30pm, Mondays through Fridays, excluding State Holidays. When rapidly reportable diseases and public health emergencies occur during non-business hours, please contact the health department by using the toll free emergency paging system:

Toll Free, 24hr Emergency Paging Service: 1-866-531-3068
This number will contact Keener Communications, who will then contact the Epidemiologist, Health Director, and/or Emergency Planner using the contact information that they have on file.
